

Government Fund Payroll System

Product Definition

Government Fund Payroll System provides complete, accurate and convenient payroll processing.

ACS Solution

ACS provides an integrated suite of financial systems for state, county, and city government. Government Fund Payroll System allows flexible administration of payroll earnings and deductions to provide the following benefits:

- ◆ *Payroll files modifications can be easily performed by operator to reflect tax and law changes immediately*
- ◆ *Unlimited types of pay and pay rates to accommodate flexible compensation plans*
- ◆ *Ability to produce employee checks or direct deposits for employees' convenience*
- ◆ *Automatic tracking of accrued vacation, sick time, compensatory time, and floating holiday for up-to-date status*

Benefits of ACS

ACS is one of the largest providers of government software in the nation with nearly 200 office locations nationwide. We have been in the business of helping government help people for nearly 30 years. ACS has an in-depth understanding of the government arena and the requirements that must be fulfilled for public servants to faithfully meet the demands of their professions. We have delivered financial systems to more than 400 government clients. Government Fund Payroll System provides accurate, worry-free, and on-time payroll.

Important Features

- ◆ *Operator maintained tax tables, deduction, and benefits tables*
- ◆ *Security controlled access by menu item and procedure*
- ◆ *Federal and state reporting including W-2s and EEO-4s*
- ◆ *Exemption-only payroll for overtime or change in hours*

It has been proven over time by many of its users across the country that Government Fund Payroll System makes payroll a routine and accurate procedure.

Government Fund Payroll System
